Guide to developing the Annual Implementation Plan: for Improving Student Outcomes

To focus effort where it is most needed, four priorities have been identified for the entire Victorian government school system. The four priorities are:

- Excellence in teaching and learning
- Professional leadership
- Positive climate for learning
- Community engagement in learning.

Six evidence-based initiatives assist schools to identify and utilise the most effective, relevant and evidence-based strategies that when implemented with consistency and depth help drive improved student outcomes. The initiatives are associated with the four state-wide priorities, in the following way (please refer to the *Framework for Improving Student Outcomes: Guidelines for schools*):

| Priority | Initiatives |
|-------------------------------------|--|
| Excellence in teaching and learning | Building practice excellence: Teachers, principals and schools will work together |
| | Curriculum planning and assessment: School will embed a culture of curriculum planning, and assess the impact of learning programs, adjusting them to suit individual student needs |
| Professional leadership | Building leadership teams: Schools will strengthen their succession planning, develop the capabilities of their leadership teams in using evidence |
| Positive climate for learning | Empowering students and building school pride: Schools will develop approaches that give students a greater say |
| | Setting expectations and promoting inclusion: Schools will work across their communities to implement support to health, wellbeing, inclusion and engagement of all students |
| Community engagement in learning | Building communities: Schools will strengthen their capacity to build relationships with the broader community by partnering |

Barwon Heads Primary School promotes integrity, lifelong learning and the attainment of excellence.

Our core purpose is to provide the Barwon Heads community with a comprehensive primary education for all students that empowers them to reach their full academic, social and physical potential, thus providing them with '...a bridge to the future.'

Our aim is to equip our students for the future – through the provision of:

- high expectations
- positive attitudes
- diverse opportunities
- an organisational culture of student safety and well being

Summary page: the school's priorities and initiatives

Tick the initiative/s that the school will address in its Annual Implementation Plan: for Improving Student Outcomes.

| Priorities | Initiatives | |
|-------------------------------------|---|---|
| Excellence in teaching and learning | Building practice excellence | |
| | Curriculum planning and assessment | ✓ |
| Professional leadership | Building leadership teams | ✓ |
| Positive climate for learning | Empowering students and building school pride | |
| | Setting expectations and promoting inclusion | |
| Community engagement in learning | Building communities | |

| Initiatives Rationale: | |
|--|--|
| Explain why the school, in consultation with the SEIL, has selected this initiative/s. Please make reference to the evaluation of school data, the progress against SSP targets, and the diagnosis of issues requiring particular attention. | |
| <p>The above initiatives support our work and progress in the establishment of a PLC culture. Leadership development is based around the support for staff in implementing a PLC approach to data assessment and planning.</p> <p>Our key focus will be to identify effective assessment approaches that support the triangulation of data, and provide staff with a greater confidence in making teacher judgements for reporting purposes. The strategic review determined teacher judgements were conservative and did not accurately reflect student data obtained through other data sources. i.e. NAPLAN</p> | |
| Key Improvement Strategies (KIS) | |
| List the KIS that are linked to this initiative/s and will be scaled up. This could include existing KIS from your SSP or new ones identified through the evaluation of student outcomes against SSP targets and the diagnosis of issues requiring particular attention. KIS may be specific to one outcome area or applicable across several areas. | |
| Initiative: | KIS |
| <p>Curriculum planning and assessment:</p> <p>School will embed a culture of curriculum planning, and assess the impact of learning programs, adjusting them to suit individual student needs</p> | <ul style="list-style-type: none"> • Extend staff knowledge in the understanding of operating in an effective PLCs • Develop proficiency scales for identified Essential Learning Standards (ELS) for reading, writing and number • Identify, develop, document, and implement whole school processes for planning and assessment for Reading, Writing, and Numeracy |
| <p>Building leadership teams</p> <p>Schools will strengthen their succession planning, develop the capabilities of their leadership teams in using evidence</p> | <ul style="list-style-type: none"> • Develop role statements for Educational Leaders that support the PLC approach to school organisation • Develop role statements for Capabilities Leaders that support the School Improvement agenda • Develop role statements for PLC Leaders that support the work of PLCs |

Annual Implementation Plan: for Improving Student Outcomes

| ACHIEVEMENT | | | | | |
|--|---|---|--|-------------------------------------|--|
| Goals | To improve the learning growth and achievement of every student in literacy and numeracy | Targets | <ul style="list-style-type: none"> Increasing the percentage of students F-6 achieving above the expected level in all assessments Increasing the percentage of students achieving high growth and decreasing the percentage achieving low growth on the NAPLAN relative growth assessments. | 12 month targets | <ul style="list-style-type: none"> Proficiency scales produced for all Number, Reading, and Writing ELSs Decrease the percentage of students achieving LOW growth in NAPLAN for Numeracy from 22.4%, Reading 16.7%, and writing from 22.6% in 2016 All 2016 students achieve a min 1.0 growth in standardised testing during the calendar year, illustrated in end of semester VELS teacher judgements Increase percentage of F-6 students achieving a progression point of A or B in 2016: <ul style="list-style-type: none"> Writing 28.5% to a minimum 30% Number and Algebra 29.4% to a minimum 32% |
| KIS | ACTIONS: what the school will do | HOW the school will do it (including financial and human resources) | WHO has responsibility | WHEN timeframe for completion | SUCCESS CRITERIA: Markers of success reflecting observable changes in practice, behaviour, and measures of progress |
| Embed an agreed research-based instructional model and implement a whole school approach to teaching and learning to ensure consistency of practice. | <ol style="list-style-type: none"> Consolidate practice through professional learning around the PLC and visible learning model to ensure: <ul style="list-style-type: none"> Consistent and accurate use of data to inform curriculum planning and teacher practice Frequent opportunities to moderate student work Curriculum knowledge continues to be developed through learning focus, success criteria, quality tasks and quality feedback An agreed instructional model for learning and research-based instruction is implemented F-6 Continued focus on coaching (in the areas of Literacy and Numeracy) and reflection – external coaches appointed. Continue to implement and embed Reader's Workshop, Writer's Workshop and the agreed whole school numeracy model. Investigate standardized assessment tools to assist teachers judgments Use triangulated data to inform accurate teacher judgments. Build teacher skills in developing and analyzing quality Common Formative Assessment Tasks (CFAT). Ensure intervention/enrichment is provided for all students at point of need. Build PLC team responsibility and accountability for student data Ensure a F-6 focus on conferencing and goal setting through the development of Proficiency Scales | <ul style="list-style-type: none"> Whole staff professional learning provided (PLC). 0.2 Educational Leadership release Whole staff commitment to school improvement priorities and the PLC approach documented Andrea Hillbrick – Numeracy Coach appointed (fortnightly visits) \$16,740 Julie Bennett – Literacy Coach appointed (fortnightly visits) \$14,400 Weekly 30 minute formal PLC meetings – attended by Educational leader and Principal <ul style="list-style-type: none"> Focus: data/instruction/planning Budget allocation for Literacy and Numeracy to reflect school improvement focus <ul style="list-style-type: none"> \$22,950 Literacy \$39,808 Numeracy Staff PDPs to reflect commitment to PLC processes | Educational Leadership Team Principal Class | Ongoing | <ul style="list-style-type: none"> PLC structures established PLC meeting timetable allocated Instructional model (PLC/Visible Learning) clarified, agreed and documented. Whole school instructional models, high probability strategies and formative and summative assessment explored through professional learning, agreed and documented Learning Focus and success criteria evident in curriculum documentation in all learning areas and year levels. Teacher PDPs demonstrate teacher practice informed by student feedback and teacher observation. Whole school intervention program agreed and documented. Whole staff commitment to school improvement priorities and the PLC approach documented. Number, Reading, Writing ELS identified and documented – proficiency scales constructed Documented CFAT development for ELSs for Foundation to grade 6 Pre/post ZPD (Guttman) charts created for CFAT data – indicating outcomes and growth Coaching Model employed <ul style="list-style-type: none"> Instruction Demonstration Observation Feedback (Gradual Release of Responsibility) Professional Learning to include focus on: <ul style="list-style-type: none"> PLC approach Visible Learning approach CFAT development |
