

Barwon Heads Primary School | 28th February 2017

We hope to see some new faces in After Care in 2017. Please come and see me in my office after school (located near the gym) or call me on 0432 636 625 if you have any questions or queries. You are also welcome to bring your child after school to say hi and see what we get up to, be happy to see you! We are in the LOTE room :)

What have we been up to?

Last week we all went in the garden and planted some veggies in our little garden bed. The children loved working together and showed great responsibility and initiative throughout this activity. Now we have carrots, sweetcorn, beans, lettuce and broccoli growing and hopefully we can make a delicious salad with them soon for our snack!

This week we are learning where each others families come from. Many come from Europe and other countries include Japan and Canada! Come and check out our display outside the gym...

What are we up to next week?

The kids are going to paint the windows in OSHC blue and we are going to make a really awesome under the water display. There will be handprints on the windows for jellyfish, some seaweed and other sea animals that everyone will make. It's going to look great!

Who has got awards?

Jasmin for her creativity and imagination

Lucy for showing care towards others

Patrick for his great manners

Arabella for being a kind friend

Well done guys, keep up the great work!

Hope to see you in After Care soon :)
