From Daniel's Desk

At the Barwon Heads ANZAC Ceremony I was extremely proud to see so many of the BHPS students, teachers and families attend. My gratitude goes out to Tony Wheal and his team for their organisation of the commemoration and the many community groups involved in the ceremony.

Well done to Murphy Moulton for his efforts in reciting the ANZAC Requiem with respect and confidence supported by his fellow School Captains, Tara, Rocker and Jema who were also in attendance.

I appreciate the response to the parent survey sent out via compass and look forward to receiving further responses to assist in receiving important information and views from you about the school.

Congratulations to the staff at BHPS for the way that they work together in their Professional Learning Community Meetings. I will share more information about this initiative in the next newsletter to give the school community an insight into how this work directly impacts on student learning.

I look forward to seeing you all at the Movie Night this Friday night.

Enjoy the Rest of the Week!
Daniel

The 2017 Sheepwash Classic was a great success this year. We had 641 entrants and some of our fastest times. The last minute course changes to work in with the netball and footy received positive feedback with some 8km runners asking us to keep it this way for 2018.

We don't have a final figure for the amount of money raised, but we look forward to sharing it with you soon!

Thank you to our wonderful sponsors who make the event possible. They are all listed on the school website and the Sheepwash Classic Facebook page.

Thank you to all our volunteers who helped fill the roster. We absolutely rely on you to be able to hold this event. Special thanks to Trish Clayton and Bec Fairey who stepped in to help. I loved seeing people from the wider community helping.

A few key members of our team have their last year with the school in 2018 so we will be looking for some people to work alongside them next year to take over in 2019. It's a fantastic event to work on and I encourage you to get involved. Dani Smith has stepped out of her role to concentrate on studying so we need a replacement for her before the end of this year.

I would like to thank each of our team members. They are an absolute pleasure to work with! Nat, Rach and Kelvin have been with me from when we started this new course and have been my absolute support people for the last 6 fun runs.
